

# THOMAS HINDS

*Solo Acoustic Artist & Poetic Troubadour*

A hard-touring troubadour from northern Georgia, Thomas Hinds performs full-time across the country with half a million miles under his belt over the last six years. His sound has been described as "a cross between the ethereal crooning of Jeff Buckley and the down-to-earth angst of early Wilco." His 2023 album *Where Do We Go From Here*, recorded at Alabama's legendary FAME Studios, reached #86 on the Americana Album charts. His highly anticipated follow-up, *Hotel Room Songs*, drops in 2026.
